Tips for a Four Season Garden.

It's no secret, gardens entertain us 12 months a year. But, late winter & early spring is sleepy time in the garden. Last week's lecture keynote at the 1st Camellia & Garden Symposium features planting design, camellia underplantings, edgings & 2 case studies. ([watch here](#))

Lessons From the Field !

"Eve's Garden". Hugh Dargan & I tag teamed on this amazing transformation in Columbus, GA. Eve and Jack Tidwell tackle a family home landscape. ([watch here](#))

Fertile Thoughts?

Now is the time to roll back your sleeves, or relax with a great garden design book, and DREAM. Where are you now? Where do you want to be this year with your home environment? Contact us to provide you with a free worksheet & complimentary consultation to help organize your garden design. ([click here to schedule complimentary consultation](#)) or call 404-231-3889
